Former Veteran’s Affairs Resident Joins Local Atlanta Dental Practice

*Laser Dentistry*, a local dental practice, hires Dr. Barbara Frist. Dr Frist completed her General Practice Residency at the Veterans’ Affairs Medical Center in Washington D.C.

ATLANTA (PRWEB) August 28, 2019 -- Dr Frist recently joined the staff at *Laser Dentistry*, a Dunwoody practice that provides full service dental procedures. The practice is owned by Dr. Nguyen who launched the Atlanta practice in 2005.

Laser Dentistry employs a laser machine that allows the dentists to cut, incise and ablate hard and soft tissues with much greater precision and minimal pain.

The practice also utilizes CEREC, a new computer aided-design (CAD), and computer aided manufacturing (CAM) technology to provide a range of dental restorations including: crown, veneers, inlays and onlays, fixed bridges and dental implant restorations.

The CEREC machine crafts a restoration, made of compressed porcelain, in a matter of minutes. The most beneficial feature of receiving a CEREC restoration is that it is accomplished in one visit. In addition to the benefit of a one visit restoration, there is no uncomfortable impression material to bite on or temporary to wear.

In addition to General Dentistry, Dr. Frist also practices pediatric dentistry. She is also certified in Botox injections for the treatment of migraines and TMJ dysfunction.

Together with Dr. Frist, *Laser Dentistry* practice offers over 32 years of experience. Their dentists believe in treating patients as individuals with unique needs and take an “outside the box” approach towards their treatment.

"I share the same philosophy in patient care as Dr. Frist. I’m excited to have her join our team,” Dr. Nguyen proudly states.

“Dr. Frist is a member of the American Dental Society, Georgia Dental Association, Hinman Dental Society and the American Academy of Facial Esthetics.

A Consumers' Choice Award Winner 2014-2018

About The Consumers’ Choice Award:

Established in 1987, the Consumers’ Choice Award® identifies and promotes businesses that deliver customer service excellence. The Consumers’ Choice Award® has retained a leading independent research firm to conduct surveys in U.S. cities; Atlanta, Columbus, Cincinnati and Dallas. The winners are determined by consumers and not by a panel of judges. The survey covers a broad range of categories of interest to both the public and businesses alike.
public and business communities. Its purpose is to publicly identify those establishments that have been voted by consumers as being their choice for excellence. The Consumers’ Choice Award® is a most prestigious tribute to local businesses that serve their communities well. The program is encouraged by all levels of government and by business leaders.
