Kim Rice Smith’s newly released “The Heart of Hannah” is a wholesome story of a squirrel who became a backyard rock star because of her determination.

“The Heart of Hannah” from Christian Faith Publishing author Kim Rice Smith is a fascinating tale of a squirrel who has a determined heart in achieving her desires in life.

MEADVILLE, Pa. (PRWEB) October 11, 2019 -- “The Heart of Hannah”: a riveting book that inspires the readers to be motivated and have a determined heart in everything they do. “The Heart of Hannah” is the creation of published author Kim Rice Smith, a writer who is active in her community in ways focused on lifting children and families out of poverty. Her writing was recognized by the North Carolina Press Association in 2006. She just began to find her voice again and enjoys sharing it with other warriors.

Smith writes, “The Heart of Hannah is a funny story about faith, family, and persistence. Hannah is a very determined squirrel who becomes a backyard rock star as she tries to find the secret to the squirrel-proof bird feeder. The story is based on a reader favorite from the Heart of a Warrior blog series. The original blog is included as a bonus!”

Published by Christian Faith Publishing, Kim Rice Smith’s new book shares a remarkable lesson that would help the readers to be motivated and determined every single day in their life.

With this book, Smith aims to urge the readers to be more like Hannah, the squirrel, who never lost her determination in getting that something she desires.
