Lerner and Rowe Injury Attorneys Announce Sponsorship of DesTechAZ

Lerner and Rowe Injury Attorneys enthusiastically sponsor DesTechAZ- an event that showcases the technological growth and innovations developing across the state of Arizona.

SCOTTSDALE, Ariz. (PRWEB) October 09, 2019 -- Lerner and Rowe Injury Attorneys announces their sponsorship of DesTechAZ- a high profile technology and innovation event taking place from October 16, 2019 to October 17, 2019 at the Fairmont Scottsdale Princess (575 E Princess Dr, Scottsdale, AZ 85255). During this two day exclusive event, innovators, entrepreneurs, venture capitalists, and government officials come together to see first-hand and discuss all of the great efforts Arizona is making to pave the way to becoming the next technological metropolis. This includes a joint, statewide agenda between private, public, and government entities to graduate more Arizona students prepared for the global economy within the fields of science, technology, engineering, and math (STEM). The Phoenix-based personal injury law firm could not be more pleased to take part in an event that celebrates the educational, collaborative, and innovative accomplishments developing across the Grand Canyon State.

“Similar to our law firm, the state of Arizona has seen exponential amounts of growth over the past two decades. A growth that may vary in speed, but does not show signs of stagnation. Further, DesTechAZ helps showcase the need for an increase in providing the tools and means to increase STEM-based educational opportunities among Arizona youth and young adults, as well as those across the country. For these reasons, our team is an enthusiastic sponsor of the 2019 DesTechAZ,” stated Kevin Rowe, ESQ.
