Interim HealthCare Inc. Named to Franchise Times 2019 Top 200+ List

This year’s inclusion marks the 17th year Interim HealthCare has been included

SUNRISE, Fla. (PRWEB) November 06, 2019 -- Interim HealthCare Inc., a leading national franchisor of home care, hospice and healthcare staffing, was ranked No. 92 on the Franchise Times 2019 Top 200+ list. This inclusion marks the 17th year Interim HealthCare has been included. Interim HealthCare has also retained its No. 2 rank in the medical and healthcare sector, according to this year’s list.

The 2019 Top 200+ is an annual ranking of the 500 largest franchise systems in the United States by global systemwide sales, based on 2018’s performance. According to Franchise Times, the top 200 largest U.S.-based franchisors grew their combined annual sales by $26.9 billion, or 4.2 percent, in the last year. The health and medical sector was the fastest growing sector on the list, accounting for 14.5 percent of total growth.

“We are thrilled to be included on the Franchise Times Top 200+ list – a true testament to the hard work and dedication that our franchise owners and national support center team delivers each and every day,” said Jennifer Sheets, Interim HealthCare Inc. CEO and President. “We look forward to continuing to deliver the highest quality, most-efficient levels of care in the communities we serve.”

Interim HealthCare offers innovative programs for all franchisees through one of the most experienced franchise support teams in the industry steeped in the complex regulatory environment and components of building a franchise operation, such as marketing, sales, finance, training and human resources. About Interim HealthCare Inc.
Interim HealthCare Inc., founded in 1966, is a leading national franchisor of home care, hospice and healthcare staffing. It is part of Caring Brands International, which also includes UK-based Bluebird Care and Australia-based Just Better Care, both well-known franchise brands in their countries. With more than 530 franchise locations in seven countries, Caring Brands International is a global healthcare leader.

Interim HealthCare in the United States is unique in combining the commitment of local ownership with the support of a national organization that develops innovative programs and quality standards that improve the delivery of service. Franchisees employ nurses, therapists, aides, companions and other healthcare professionals who provide 25 million hours of home care service to 190,000 people each year, meeting a variety of home health, senior care, hospice, palliative care, pediatric care and healthcare staffing needs.
