Author Peggy McGookin’s new book “Isabel’s Whiskers” is a cheerful collection of tales starring an array of comically dignified felines.

Recent release “Isabel’s Whiskers” from Page Publishing author Peggy McGookin is an entertaining book of short stories following the hilarious exploits of a cat named Isabel and her furry friends.

CALVERTON, N.Y. (PRWEB) November 07, 2019 -- Peggy McGookin, a native of Belfast, Ireland who moved to the US at the age of twenty-eight, married, worked as a receptionist for seventeen years, raised two children, and is now enjoying retirement on Long Island, New York, has completed her new book “Isabel’s Whiskers”: a lighthearted collection for cat-tales for animal lovers of all ages.

Cats of all kinds get into and out of scrapes of all kinds in Peggy McGookin’s animal neighborhood, in this series of short tales, “Isabel’s Whiskers”.

Take the title story, “Isabel’s Whiskers,” for instance. The trouble a cat named Isabel gets into after losing two whiskers and trying to put them back on, so as to look more glamorous, will have readers smiling. Then there’s “The Mischievous Three”—Scraper, Chloe, and Peanut—trying to make a batch of cookies but ending up making a mess instead. There are other adventures, too, such as one with a cat named George, in “The Cat Who Wanted to Fly,” and with Boz and his friend, Jack the dog, in “The Halloween Cat.”

These are amusing children’s stories that teach lessons in friendship, the value of knowing and accepting oneself and of looking before one leaps. The cats’ pride, longing, and hijinks get them into some very comical situations.

Published by New York City-based Page Publishing, Peggy McGookin’s engrossing book is a delightful addition to any home- or school-based children’s library.

Readers who wish to experience this engaging work can purchase “Isabel’s Whiskers” at bookstores everywhere, or online at the Apple iTunes store, Amazon, Google Play, or Barnes and Noble.
