David B. Lendway’s newly released “Topical Bible Studies: Volume 3” is a topic by topic Bible study allowing readers to more easily understand what God expects of them

“Topical Bible Studies: Volume 3” from Christian Faith Publishing author David B. Lendway is volume three of three volumes that contains soul-refreshing Bible studies which will work for everyone no matter what their religious affiliations and preference are.

MEADVILLE, Pa. (PRWEB) November 07, 2019 -- “Topical Bible Studies: Volume 3”: a masterful account that tells the readers how to spend more time in their spiritual world as opposed to their earthly physical world. “Topical Bible Studies: Volume 3” is the creation of published author David B. Lendway, a graduate with an engineering degree who worked with the same global engineering company for thirty-six years before he took early retirement. He has raised a family of two daughters and one son who are all very successful baptized Christians, each one an individual who other people enjoy being around.

Lendway writes, “These self-contained Bible studies work for everyone. It doesn’t matter where one stands in their faith or how much they know about the Bible these studies will work. For those who are well-rooted in the Word, these studies will work for them as a review; those who own an average understanding of God’s Word will be able to use these studies not only as a review but also for learning something that God has said and they had unknowingly passed over. Those who know very little about the Word of God will be able to learn a great deal from these topical studies since they are self-contained and require no explanation because all commentary is backed up with book, chapter, and verse from the inspired Word of God. Those who know nothing about the Word and are seeking to learn about God the Father, God the Son, God the Holy Spirit, their salvation, and the existence of this spiritual world they have heard so much about will now be able to learn straight from His Word right in the comfort of their living room whatever it is they want to know.”

Published by Christian Faith Publishing, David B. Lendway’s new book guides believers in their faith-driven journey to better grasp the magnitude of God in their physical and spiritual lives.

This book is the third of three volumes that desire to usher in illumination to the hearts, minds, and spirits of people who have committed themselves to the pursuit of God and partake of his promised salvation.
