MEADVILLE, Pa. (PRWEB) November 07, 2019 -- “The Loneliest Star”: a wonderful illustration of a lonely star seeking relief from his feelings of loneliness. “The Loneliest Star” is the creation of published author Robert Gaines, a writer who lives in southern Florida but was born in Detroit, Michigan. Among the subjects he writes, children’s books are his favorite. And with science fiction, they encourage the use of imagination and teach valuable life lessons.

Gaines shares, “Cobby is a star deep in outer space. He wishes he had planets and moons revolving around him. How does he cope with his loneliness? That is the story of The Loneliest Star.”

Published by Christian Faith Publishing, Robert Gaines’s new book is a beautiful reminder that everyone is important and plays a significant role in the world. And even in the saddest and loneliest of days, each one can be the light and warmth to other people.
