MEADVILLE, Pa. (PRWEB) November 07, 2019 -- “A Twenty-Five-Cent Investment”: a stirring and uplifting tale of how faith can flourish through all of life’s ups and downs with just the smallest of up-front investments of belief in God’s plan and love. “A Twenty-Five-Cent Investment” is the creation of published author, Hartley S. Connett, a graduate of Bowdoin College and former tanner and business owner.

“These stories have been written down to answer the many questions that are being asked in the twenty-first century. Where is God? Where are the miracles? Where are the healings? Where are the prophets? Where are the angels? Have they all left? I submit this short book to say they are all here. Bigger, brighter, better than ever. You just have to look for them. Open your eyes and hearts, and they are all there.”

Published by Christian Faith Publishing, Hartley S. Connett’s new book is the touching tale of how faith can blossom in the face of tragedy. It reveals how just a small investment in God is capable of providing consolation, guidance, and spiritual and psychological sustenance through even the most trying of life’s troubles and tribulations.
