

5 Star-Rated Global Cash Flow Network (GCFN) Joins With Global Personal Solutions, Promoting CMPS

Global Personal Solutions owned by David Venaleck has joined in the marketing of "Certified Media Placement Specialist (CMPS) "training program, designed to transform the Work at Home business community. Marketing promotions will be placed in all forms of media including the Internet.

North Fort Myers, FL ([PRWEB](#)) February 21, 2009 -- Prospective home business and "Work at Home" entrepreneurs receive time tested training materials and techniques, one-on-one coaching and network support to show the trainees rapid success. Success is guaranteed. While in training the candidate can earn \$100, \$200 and even \$300 per day by applying the training skills during the course of the program. The training can pay for it self.

One of the biggest advantages to the trainee is having access to Ultimate-Traffic-System. The trainee is guaranteed the traffic and training for rapid startup in their Work at Home business.

Global Personal Solutions marketing role will be to get the word out to entrepreneurs looking for Business opportunities or work at home programs. Currently, development on the web site at <http://www.GlobalPersonalSolutions.com> is completed. The web site presents this fantastic story and gives the candidates the chance to learn more about starting a work at home business and to sign-up for free reports on the program.

Media placements have been written to captivate the readers' desire to succeed by offering a visit to the web site. Media submissions includes Internet advertising, directory listing, article directories, pay per click search engine ads, news groups, blogs and rss feeds. Additionally, there are other campaigns include direct mail, newspaper ads, and e-mail promotions.

In three short weeks these campaigns have been running thousands have responded. to the marketing by Global Personal Solutions. New campaigns will begin shortly using Internet video marketing, TV and Radio.

Global Cash Flow Network provides the Certified Media Placement Specialist as a resource to show people how to build success by placing media in dozens of targeted areas all over the world. A student is taught the art and science of placing media and given dozens of case studies, examples and pre-written templates to model from
