*As a new racing season prepares to launch, Norwegian furniture company ROCKA is proud to announce its sponsor partnership with award winning pair Henning Solberg and Cato Menkerud in the World Rally Championship in 2009.*

Sarpsborg, Norway ([PRWEB](#)) March 12, 2009 -- The World Rally Championship, which kicked off at the end of January, features twelve three day events driven on a variety of surfaces that will ultimately culminate in an award winning driver and manufacturer team. The 2009 launch January 30th in Ireland marks the WRC's 37th anniversary. This year's rally is expected to attract drivers from over 15 countries around the world.

Henning Solberg and Cato Menkerud made a splash at the World Rally Championship in 2008 driving the new optimized Ford Focus RS as part of the Stobart VK M-Sport Ford Rally Team, and ROCKA looks forward to helping them celebrate that same success behind the wheel of the Ford RS again this year.

"We are very proud, and we look forward to seeing the guys on the podium," says ROCKA CEO Matthew E. Alleyne.

The pair will compete again on the 15th of March at the Cyprus Rally in Greece.
