([PRWEB](#)) April 22, 2009 -- Web development leader Smart Solution launches a new version of there website that is set to introduce the world to Bollywood entertainment. Music Maza version 4 that features everything there has to do with [Hindi music](#) and Bollywood parties & events. The website is one of the many projects produced by Pakistan-based web development firm Smart Solution.

According to Smart Solution president Naqi Khan, Music Maza was created to further spread the charm of Bollywood songs and entertainment to the rest of the world. "After the success of various Bollywood songs and artists in the West, people have grown interested on what this part of the world has to offer," says Khan. "Music Maza will give them an online tour of what it is that makes Hindi songs just as great, even better than what Hollywood has these days."

Music Maza features diverse information on Bollywood entertainment and Hindi songs. It is regularly updated to the latest news and gossip in the Hindi show business. Aside from news on [Bollywood parties & events](#), the website features live radio and TV streaming from popular channels in India and Pakistan so users can view music video from this side of the world. Visitors may also download Bollywood wallpapers, mp3 songs, Bollywood ringtones, mobile videos and games from the website. SMS greeting services are also enabled to registered members.

The website is created to allow visitors to indulge in everything about Bollywood. From mobile videos to song lyrics for popular Hindi songs, the website introduces access to multimedia materials for the best of Bollywood songs and music. Many know all the details of their favorite movie stars and even keep a celebrity photo in their bedroom. One popular option that has been made easy through Music Maza is to use [Bollywood wallpaper](#) on your computer desktop to advertise your favorite actor or actress.

When it comes to choosing hot wallpaper we have all the Bollywood actress photos and Bollywood actor pictures you are looking for. Music Maza is an extensive and well structured library of bollywood wallpapers will make it easy to find just what you are looking for. It is also helpful if the website regularly updates with the newest movie stills so you can keep up to date on the newest in the bollywood movie industry.

"All you need to do is to sign up with the website to be part of the Bollywood glamour," said Khan. He further explained that while the website was built for both Indian and Pakistani audience and for those from other parts of the world who are interested in what bollywood entertainment has to offer. The [song lyrics](#) are both available in English and the Hindi language so users can really understand the messages conveyed by the music video. Visitors from other countries can learn more about the language through Hindi lyrics to popular songs in the region.

Khan adds that one of the interesting things about Music Maza is that it allows users to take a part of Bollywood in their mobile phones with them. The website features updated downloads for song s, mobile wallpapers, Bollywood ringtones and mobile videos.

The website itself caters to the Western taste with content provided in the English language. Music genres featured in Music Maza are diverse - from Arabic songs to old Hindi classics, original soundtracks of famous Bollywood movies and Indian pop songs. Music video and [mobile videos](#) are also available. Users are also updated with upcoming moves and television shows in India and Pakistan.

"Music Maza is a one-stop online resource for everything and anything about Bollywood," concludes Khan. "It's a project that we are especially proud of because it showcases the best in modern Indian and Pakistani culture for the rest of the world to appreciate."
