

Jeacher Enterprises Announces the Launch of Home Based Business Specializing in Media Placement

Mother/Daughter team Jeanette Cabral and Cheryl Spaulding seek success working with Mary Gersten's proven methods.

Woburn, MA ([PRWEB](http://www.24hourwebcash.com/cabral9655)) October 16, 2009 -- Jeacher Enterprises, Inc. (<http://www.24hourwebcash.com/cabral9655>) is the newest entry in the home-based business market. Specialized in media placement and allied with the money-making genius Mary Gersten, the pair is poised to make their mark.

Global Cash Flow Network is training a new force of Certified Media Placement Specialists. Spaulding and Cabral will leverage the training and support offered by Global to become experts at using various forms of media to trumpet their word.

"Global is transforming the Home Internet Business Community with time tested proven training, coaching and support, in the Certified Media Placement Specialist field. Jeacher Enterprises, Inc. looks forward to becoming an important part of the media placement field," said Cabral.

This is a new a different program than typical home based business opportunities. Rather than selling, struggling with inventory and other common demands, Global Cash Flow's new system avoids pitfalls, distilling the secret to making money online.

Craig James, editor of <http://www.marygersten-exposed.com> thoroughly investigated Global Cash Flow Network in an effort to blow the lid off this work at home business phenomenon and report his findings to the world.

"At the request of Mary Gersten, I plan to learn the ins and outs of the home internet business program that aims to show aspiring entrepreneurs how to start, run and manage their own business," said James. "I've come to realize things are rarely what they appear to be in the home-based business world, and I will be taking the public behind the scenes of Mary Gersten's 'Certified Media Placement Specialist Program'. My findings on the good the bad and the ugly can be seen at: <http://www.marygersten-exposed.com>. With this program Mary claims that clients such as Cheryl Spaulding and Jeanette Cabral of Jeacher Enterprises can earn more money simply by placing media, promoting their business website, 800 number and unique extensions. Unlike programs I've seen elsewhere, Global Cash Flow Network requires no personal selling, no phone calls and no meetings."
