

## **A&S Case Company Awarded a Second GSA Federal Supply Schedule Contract**

*A&S Case Company, Inc. was awarded a five (5) year with 3 five (5) year options GSA Federal Schedule contract (GS03F0050W) to supply ATA cases under the 58 I schedule with products under both 58 1 and 58 2 SINS.*

North Hollywood, Calif. ([PRWEB](#)) March 3, 2010 -- A&S Case Company, Inc. was awarded a five (5) year with 3 five (5) year options GSA Federal Schedule contract (GS03F0050W) to supply ATA cases under the 58 I schedule with products under both 58 1 and 58 2 SINS.

A&S sought to expand its reach to this sector through the schedule for Professional Audio/Video Telemetry/Tracking, Recording/Reproducing and Signal Data Solutions. Since 2006, A&S has been successfully bringing Always Superior products to their GSA customers through their contract (GS02F0109S) in the 81 I B category for Shipping, Packaging and Packing Supplies with products under the 617 SIN.

A&S cases deliver Maximum M.C.E. protection. A&S has been an industry leader in transporting M.C.E. – Mission Critical Equipment – for over 30 years, supplying ATASpec. 300 Category 1 cases to professionals in the aerospace, music, movie, equipment rental and electronics industries. A&S manufactures cases that are compliant with most standards of the MIL-SPEC. /MIL-STD so they are more capable to handle all of the wear and tear that comes with travel. Special options A&S offers include water-tight container with gasket; relief valve; RH-indicator; desiccant canister; custom interior nesting; free of FOD (Foreign Objects Debris) and aluminum skids.

A&S is a Certified Small Business. A&S exclusively engineers and manufactures A&S Kriz-Kraft, A&S airack®, A&S FlyWeight® and the A&S Nest™- A Kriz-Kraft Plasma/LCD/LED Lift Case, all of which appear on the new contract. All items on the contract are available on GSA Advantage.
