

IBM Business Partner S4i Systems Welcomes New Sales Manager

S4i Systems, Inc., a leading electronic document automation and disk space management software provider for IBM Power™ customers, announces today that Lori Johnston joined the team as Sales Manager.

San Clemente, CA ([PRWEB](#)) May 28, 2010 -- S4i Systems, Inc. (www.s4isystems.com), a leading electronic document automation and disk space management software provider for IBM Power™ customers, announces today that Lori Johnston joined the team as Sales Manager.

Prior to coming to S4i, Johnston was Director of Elite Software Sales and Marketing at Vanguard Systems where she was responsible for growing demand for the Elite Document Suite by increasing sales and driving the overall marketing and business development strategy for the product line. Prior to the Vanguard acquisition, Lori Johnston served as Vice President of Sales at Elite Document Solutions and was instrumental in growing Elite from a startup into a recognized leader in the electronic document management space.

“With Lori’s twelve-plus years of experience in EDM, she offers insight into how organizations can benefit from a paperless environment,” said Susanne States, director of the S4i sales, client services and implementation team. Continues States, “Lori’s background and expertise fit well within our company's strategic plans and initiatives and we are thrilled to have her join our team”.

About S4i Systems
