

## **Photos of Latvia Make Great Christmas and Holiday Gifts -- Share Latvia's Rich Heritage with those Special**

*Visitors to the 2006 NATO Summit being held in Riga Latvia are first hand enjoying the wonderful Art Nouveau architecture, historic sites and pristine nature that Latvia is fortunate to offer. For all the others in the world not as fortunate to visit Riga this year, Patricia Tourist Office has a plan to share these lovely scenes through photography. Available for immediate viewing and purchase on-line are photos of Riga's Freedom Monument symbol of Latvia's struggle through the years to be a free country; medieval Turaida Castle in Sigulda; parks, lakes and rivers from around Latvia.*

Riga, Latvia ([PRWEB](#)) November 27, 2006 -- Latvia the host country for the 2006 NATO summit is blessed with considerable pristine nature, historic sites and physical landmarks like the famous Art Nouveau architecture in Riga, Latvia's Capital City. <http://www.enjoylatvia.com>

Patricia LTD Tourist Office Services group is offering to share these lovely scenes with people around the world. Photos of Latvia will make great Christmas gifts.

Available for immediate viewing and purchase are photos of Riga's Freedom Monument symbol of Latvia's struggle through the years to be a free country; medieval Turaida Castle in Sigulda; parks, lakes and rivers from around Latvia as well as the House of Blackheads and Town Hall Square were legend states was the site of the First Christmas / New Years Tree ceremony in the year 1510. <http://www.firstchristmastree.com>

Utilizing the latest in high technology photographic processing by Shutterfly Studios, San Francisco, California, USA, Patricia Tourist office's General Manager, Mike Johnson has developed an online photo gallery.

Visitors from all over the world may browse the various digital photos of scenes from around Latvia including many from Latvia's Capital City Riga. <http://www.rigalatvia.net>

Orders for photographic prints may be placed on line, will be processed and shipped worldwide by Shutterfly's professional team.

For those in the USA familiar with the legend site Coral Castle in Florida, USA, you may remember that the creator of Coral Castle, Ed Leedskalnin was from Stameriena Village in Eastern Latvia. Photos's from Ed's home village are also available to be shared and perhaps create an inspiration with their owner much like these scenes did with Ed Leedskalnin back in the 1900's. <http://www.coralcastle.com/biography.asp>

Many other famous and influential Latvians have relocated to all over the world and their families and friends are potential clients for this photo service as well as travel hearted individuals from all walks of life that yearn for the greener grass across the street. In addition to standard size enlarged prints, Patricia Tourist Office through Shutterfly offer a wide range of Christmas gift items such as: coffee/tea mugs, mouse pads, keepsake boxes, refrigerator magnets for mom and grandma's kitchen, note cards for keeping in touch with old friends and family and photo puzzles for those of

all ages who want to stay young at heart.

If one does not find the type and style photo that they want on the site today, they may contact the Patricia Tourist Office staff in Riga and place an order for a special request photo with only a small fee for the service.

If one is excited about possibilities of visiting Latvia and the Baltic States in person, Patricia Tourist Offices professional multilingual staff will be pleased to assist in making reservations for accommodations in Riga hotels, tours, rent a cars, mobile phone rentals and business support services.
