

## **Mary Gersten and Global Cash Flow Network Transform the Home Business Community with The Certified Media Placement Specialist Program**

*Mary Gersten and Global Cash Flow Network Claim To Transform The Home Business Community with time tested proven training, coaching and support as a Certified Media Placement Specialist.*

Tempe, AZ ([PRWEB](#)) December 1, 2006 -- Mary Gersten, Vice President of Global Cash Flow Network transforms the home business industry by training home business entrepreneurs how to build success with online training, support and business tools.

Mary Gersten has invited Craig James, Editor of <http://www.MaryGersten-Exposed.com>, to blow the lid off this home business phenomenon and report his findings to the world.

"At the request of Mary Gersten, I plan to learn the ins and outs of this home business program that aims to show aspiring entrepreneurs how to start, run, and manage their own business," said James. "I've come to realize that things are rarely what they appear to be, and I will be taking the public behind to the scenes of Mary Gersten's 'Certified Media Placement Specialist Program.' My findings on the good, bad and the ugly will be seen at <http://www.marygersten-exposed.com>.

"Mary Gersten and Global Cash Flow Network have created a unique and exciting possibility on the Internet. Mary herself comes from a surprising background, and it's those experiences that helped to shape the CMPS program. The Certified Media Placement Specialist concept is unique.

"With this program, Mary claims that a client could earn money by simply placing media and promoting their business, website and unique 800 number extension. Unlike what I've seen elsewhere, there is no personal selling, no phone calls and no meetings.

"While I'm impressed by the possibilities on the surface, I'm skeptical about its real-world applications.

"Bottom line - I'm going to tell the real story, inside and out," he concluded.
