Mary Gersten Launches A Free Online Inspiration and Training Site to Inspire Students and People All Over the world to apply the principles taught in the Certified Media Placement Specialist Program

Tempe, AZ ([PRWEB](#)) December 7, 2006 -- Mary Gersten, VP of Operations for Global Cash Flow Network, announces the addition of the www.CertifiedMediaPlacementSpecialist-FactorFiction.com training site as a vehicle for people from all over the world to share their experiences learning the principles of Media Placement.

"I created the [Certified Media Placement Specialist-Fact or Fiction](#) training website as a forum for our current students in the Certified Media Placement Specialist Program to share their experiences and for those who are applying the principles we teach outside of our business," says Mary Gersten in a recent interview.

Global Cash Flow Network employs a staff of support that follows up with clients on 4 different levels. One of the support teams in place contacts current participants in the program and surveys their experiences and posts the findings on the new training site.

Global Cash Flow Network also invites participation from outside the program to post their comments, questions and success stories.

"We believe that this forum will document what the Certified Media Placement Specialist Program is all about. It will also inspire those to apply the principles we teach in other businesses and programs too. With our program, it's not all about the money. The personal growth that our students go through using our system is inspirational. We created a place for students to stay in touch," an unidentified staff member had to say.

The launch of the <http://www.certifiedmediaplacementspecialist-factorfiction.com> Training and Inspiration website coincides with the launch of another new training site Mary Gersten makes available December 12th: Mary Gersten - The Truth.
