

## Give Style & Class to Your Interface!

*People like beautiful interfaces where features are "upfront" and "in their face" New stock icon collections from Aha-Soft make them that way.*

Vancouver, BC ([PRWEB](#)) January 23, 2007 -- Aha-Soft has announced the immediate availability of new Icon Collections. These icon sets offer hundreds of sleek, rich-colored icons that can help developers create an engaging and intuitive interface for their applications and sites. Icon sets include such categories as Business, Toolbar, Database, Money, E-mail, Graphic, Transport, and Security with many more on the way. Icons come in a variety of formats and sizes and distributed on a royalty-free basis from [www.777icons.com/index.htm](http://www.777icons.com/index.htm).

People like interfaces where features are easily exposed so that a quick look can determine what this or that icon actually does. The eye-candy factor must also be up. Icon Collections from Aha-Soft provide this competitive edge. Not only are they nice to look at, they are also intuitive, making a user recognize their meaning at a quick glance. Artists at Aha-Soft have put much care into each icon, as a result they all look carefully done. You will enjoy their bright palette, smooth and well-rounded edges. Icons are delivered in a variety of formats, such as ICO, PNG, GIF, BMP and such sizes as 16x16, 24x24, 32x32 and 48x48. They are available in 256 colors and in True Color with semi-transparency. What's more, icon formats for Windows Vista are also available with 256x256 size. Icons are so many that anyone can find something for themselves. However Aha-Soft can custom-design icons if you have some special requirements or can't find what you need in available collections.

### Pricing and availability

Icon Collections run under Microsoft Windows 98/NT/Me/XP/Vista and start at \$29.95 (USD) for a set. Additional information on Icon Collections is available from [www.777icons.com/index.htm](http://www.777icons.com/index.htm).
