Novato, CA (PRWEB) October 4, 2007 -- [Alex Mandossian](http://AlexMandossian.com), one of the top Internet direct marketers in America, has just released a new article on his web site. The article, "The Secrets of Teleseminars: Leverage the Power of Information and Build an Empire from the Comfort of Your Home" is available for immediate download at www.AlexMandossian.com].

[Teleseminars](#) provide information, training, or promote or sell products to group of people interested in a particular topic. They're similar to traditional seminars in content and purpose, but they're given over a teleconference or bridge line rather than at a specific location. Trainers can reach hundreds of people at once and participants don't have to incur the extra cost of travel.

According to Alex Mandossian, "Teleseminars are the fastest, easiest, most economical way to increase your sales and profits without spending a single penny more on marketing or advertising costs. Best of all, you can conduct them from the comfort of your home."

Mandossian should know. He's trained more than 14,000 Teleseminar students from around the world and has turned his 2001 annual income into an hourly income sixteen times in 2006. He teaches E-CEOs an 8-module tele-training on the subject called Teleseminar Secrets, which starts on the 2nd Monday of each December, and is focused on training entrepreneurs, independent professionals and small business owners how to use Teleseminars in combination with the Internet to boost and accelerate their business profits.

Future articles about Teleseminars address tips for entrepreneurs, small business owners and other to harness the power of Teleseminars, including:

- Why Teleseminars is so profitable - and what you can do to make the most money with the least amount of time.
