Novato, CA (PRWEB) December 27, 2007 -- [Alex Mandossian](#) is offering entrepreneurs and small business owners an opportunity to learn about the fastest, easiest, most economical way to increase their sales and profits without spending a single penny more on marketing or advertising costs -- all from the comfort of their own home. He explains how in a special recording found at ExplodingTeleseminars.com

In this recording, Mandossian shares how he realized the power of [Teleseminars](#) and their "one-on-many" approach. Using this method, Alex Mandossian has trained more than 14,000 Teleseminar students from around the world and has turned his 2001 annual income into an hourly income sixteen times in 2006. And he made \$1.6 million in 10 months working from a home-based office in northern California with just one part-time employee.

The recording costs \$20 and listeners will learn:

- 8 critical advantages Mandossian has whenever he conducts his own teleseminars to win more sales at the speed of sound
- 7 huge mistakes most marketers make during their teleseminars and how to instantly avoid them
- 9 embarrassing mistakes most marketers make before their teleseminars and how to avoid them
- How to triple your passive income as an "Interviewer" of the world's top industry leaders
- 4 of Mandossian's most closely-guarded teleseminar campaigns that each produced over six-figures in annual income, but required less than 2 hours of effort (each)
- How to find low-cost reliable vendors to write sales copy with greater pulling-power, build high-conversion web sites, reliably record and transcribe audio content with fast turnaround times
- How to quickly, easily and repeatedly use teleseminars to automatically build highly responsive online lists from scratch

"During this special preview call, you'll get a taste for things I cover during my eight-week Teleseminar Secrets program, including plenty of useful, actionable advice that you can put to work without buying anything extra," Mandossian said. But I am sure that once you listen, you'll want to learn a lot more about the exciting potential of teleseminars."

More impressive yet, he is positioned to more than triple his entire annual income in one hour during this special preview call. Listeners can watch first hand how he does it.

Alex Mandossian has consulted Dale Carnegie Training, NYU, Agora Publishing, Mutuals.com, Pinnacle Care,

Strategic Coach, Trim Spa as well as thought leaders such as Jack Canfield, Vic Conant, Mark Victor Hansen, Les Brown and many others. He has trained over 14,000 Teleseminar students and claims that he can train practically any Entrepreneurial-CEO to transform their annual income into a monthly income in less than 3 years after applying his principle-centered Teleseminar strategies.
