

Mercury Rising at Casino Classic

Gameplay heating up at CasinoClassic.com as popular new online game pushes jackpot thermometer past boiling point.

Las Vegas, NV ([PRWEB](#)) February 27, 2008 -- Mardi Gras Fever, a 5 reel, 20 payline video slot machine, is the latest edition to the award winning Casino Classic online gaming repertoire. Players are flocking to the exciting new game, attracted by slick game-play and the ever rising jackpot thermometer - the current high reading providing optimistic indication as to when the jackpot will pay out.

Earlier this month Lorraine C. from Canada walked away with a cool \$38,174 after playing a Casino Classic five reel slot machine, without even leaving the comfort of her living room. While some may love the bright lights and noise of being on the casino floor, it seems that many others prefer to sit at home and watch their winnings grow online.
