Tempe, AZ ([PRWEB](#)) March 23, 2008 -- Mary Gersten, VP of Operations for Global Cash Flow Network, announces the addition of the <http://www.marygersten-thetruth.com/> which allows successful Internet business people to share their experiences learning the principles of Media Placement.

"I created the <http://www.marygersten-thetruth.com/> training website as a forum for our current students in the Certified Media Placement Specialist Program for those who are applying the principles we teach outside of our business," says Mary Gersten in a recent interview.

We believe that this forum will document what the Certified Media Placement Specialist Program is all about. It will also inspire those principles we teach in other businesses and programs too. With our program, it's not all about money. The personal growth that our students go through using our system is motivating and inspirational. We have created a place for easy reference and quick access to the proven concepts that work.

Global Cash Flow Network employs a support staff that follows up with clients on 4 different levels. One of the support teams in place contacts current participants in the program and surveys their experiences and posts the findings on the new training site. Global Cash Flow Network also invites participation from outside the program to post their comments, questions and success stories.
