

A Great Sequel for High Rolling Slot Players at Casino Classic

Withdraw much more than you deposit at Break Da Bank Again

Las Vegas, NV ([PRWEB](#)) May 8, 2008 -- Casino Classic is delighted to launch a response to the many player requests for a sequel to the popular Break Da Bank slot - the new and improved Break Da Bank Again!

The only bank where you can withdraw more than you deposit, Break da Bank Again features 3D graphics and exciting gameplay in a sleek theme that includes lucre, glittering diamonds, shiny gold ingots and a massive vault to set the scene for some great slots action.

This vibrant 9-line, 5 reel sequel takes the original concept of "Break da Bank" and turns it into something even more brilliant and dazzling... a worthy successor to a very popular game enjoyed by thousands of Internet gamblers at Casino Classic.

Break Da Bank Again shot into 3rd position of Casino Rewards' most popular slot machine rankings, behind one of the most ambitious interactive video slots yet seen in online gaming, Tomb Raider Secret of the Sword and its thrilling prequel Tomb Raider.

Casino Classic is one of the most popular online casinos on the Internet, featuring over 200 of the latest flash games, including Blackjack, video poker and slots. As a special [free online casino](#) welcome bonus, Casino Classic gives new players \$500 and 1 hour to get a feel for the games whilst making as much money as possible. So in effect, for one whole hour the player can take advantage of a [free casino](#), but best of all, at the end of the free hour players get to keep every penny they win!

Casino Classic is an integral part of the ever expanding Casino Rewards network.

In March, all online casinos operating under the Casino Action group: Golden Reef, UK Casino Club, Nostalgia, iBig, Music Hall and Challenge, were transferred to operate under Casino Rewards management*.

*Only the six aforementioned casinos have been migrated to Casino Rewards. Any poker rooms associated with Casino Action or any of its affiliates are not part of Casino Rewards and Casino Rewards has no knowledge whatsoever of the situation therein.
