

TRAPPER WOODS Biography

Trapper Woods, with a career that spans more than forty years, is an executive leader, corporate consultant, company president, and business owner. He has co-authored three books including ***Tick Tock!...Who Broke the Clock? Solving the Work-Life Balance Equation, Service! Some People Just Don't Get It!,*** and his latest, ***Forget the 7 Habits and Break All the Rules! Ridiculously Easy Time Management!*** Trapper has traveled more than 2.5 million miles influencing tens of thousands of people throughout the United States, Canada, and the United Kingdom. Trapper is a well-known authority in the field of personal effectiveness and is affectionately known as *FatherTime*[™].

A professional member of the National Speakers Association (NSA), Trapper is the recipient of the Certified Speaking Professional (CSP) designation. This designation is the speaking industry's international measure of professional platform skills. Fewer than ten percent of professional speakers world-wide hold this honor. Audiences connect emotionally with Trapper because he loves people and he loves his work! His presentations are punctuated with real-life experiences, stories, and anecdotes that ignite life-changing energy in those who experience any one of his many programs. His engaging style is the result of his fundamental belief in the goodness inherent within each person and the value of diversity.

AUDIENCE RESPONSES

"Trapper does an outstanding job! His program was exactly what we were looking for, and was very well-received by all. The DSM, Mr. Manahan, had many wonderful things to say about Trapper and his content." *D. Walters – ACCO BRANDS*

"I have been through several time management courses in the past and never really found anything to be useful, but your class gave me a totally new outlook, not only at time management, but my overall life and well-being. Thank you so much..." *R. Laurence - HSBC*

"Trapper has done a terrific job since 1996 as a speaker and trainer for our P.O.W.E.R Series. He has spoken to groups of customers ranging in size from 250 to 1400 people and is always interesting, engaging, and professional." *E. Kelly – BOISE OFFICE PRODUCTS*

"Your interpersonal skills training experienced by my sales force has been inspirational for their professional lives. They now have a new way to view selling encounters and customers." *M. Schappert – SCIENTIFIC AMERICAN, ST. MARTINS PRESS*

“Your seminar not only served to reinforce the objectives of our law enforcement mission, but helped our employees realize that while there are many situations that often take priority in the workplace, these events can be handled without sacrifice.” *M. Mershon – FBI*

ANNOUNCING

Forget the 7 Habits & Break All the Rules, Ridiculously Easy Time Management

Without discounting the ideas presented in other books, the authors look at time management in a lighter, less complicated way. They strike a balance by providing some structure but not too much. Their approach doesn't make you feel as though you have to live each day like a robot. It's ridiculously easy time management! Many of the old time management strategies do not fit today's high intensity, rapidly changing, and fast-paced environment. What we need today is fast, flexible, easy solutions. You find them in this book.
