Salt Lake City, UT (PRWEB) April 26, 2013 -- Utah Genius Announces 2013 Winners

Utah Genius recognizes outstanding Utah individuals and companies that received numerous patents and trademarks; Fred P. Lampropoulos of Merit Medical honored with Lifetime Achievement Award

Utah Genius (www.utahgenius.com), presented by Bateman IP Law Group, and KSL today announced the winners of the 2013 Utah Genius Awards at the Little America Hotel in Salt Lake City. The awards serve as the state’s premier program for recognizing and paying tribute to the creative people and companies that contribute heavily to the state’s growth as evidenced by securing numerous patents and trademarks.

“We are consistently impressed with the volume of patents and trademarks that come out of Utah,” said Randall B. Bateman, founder of Bateman IP. “The Utah Genius Awards serve as a reminder to us all of the incredible people and companies that call this state home.”

This year the Utah Genius Lifetime Achievement Award was presented to Fred P. Lampropoulos, the founder and Chairman of Merit Medical, a Utah based medical device manufacturer which employs 2,600 people worldwide. “Mr. Lampropoulos is a real example of the American dream. He has built a medical products power house from hard work, determination and the ability to apply creativity – benefiting all of Utah.” noted Mr. Bateman.

The 2013 Utah Genius award recipients are as follows:
