Foot and Ankle Specialists of the Mid-Atlantic, LLC Podiatrists Attend 2015 APMA House of Delegates Meeting

Several FASMA doctors attended the 2015 American Podiatric Medical Association (APMA) Legislative Conference in Washington, DC

Washington, DC (PRWEB) April 02, 2015 -- Several Foot and Ankle Specialists of the Mid-Atlantic, LLC podiatrists attended the 2015 American Podiatric Medical Association (APMA) Legislative Conference in Washington, DC. Dr. Seth A. Rubenstein (Reston Division) spoke on resolutions and propositions as a member of the Board of Trustees. Dr. Michael Tritto (Rockville Division) was also in attendance, speaking as part of the Resolution Committee. Drs. Andrew Liss (Columbia/Kensington/White Oak Divisions) - member of Maryland Delegation, Priya Parthasarathy (White Oak Division) - Young Physician Liaison, Stephen Palmer (Annapolis/Clarksville Divisions), and Erika M. Schwartz (Chevy Chase/DC-K Street Divisions) were also in attendance. Dr. Schwartz was also recently named AMPA-PAC representative for DC.

The American Podiatric Medical Association held the annual House of Delegates meeting in Washington, DC, from March 20 through 23, 2015. Delegates debated and approved several Bylaws amendments and Resolutions directing strategic actions for the Association to pursue. The Delegates approved the nomination of Dr. James Christina as the next Executive Director of the APMA. The APMA Executive Board is comprised of 13 volunteer Physicians, including at-large member and FASMA partner, Seth Rubenstein, DPM.

Foot and Ankle Specialists of the Mid-Atlantic, LLC (FASMA) is a diverse group of foot and ankle specialists, dedicated to providing advanced and comprehensive foot and ankle care to all patients in a warm and caring environment. FASMA doctors are are reputable leaders in the podiatric field and in the industry of medicine. Many of our doctors’ works and contributions have been published in journals, articles, and magazines. Our doctors are highly sought after to travel throughout the country to give lectures and to speak in seminars, conventions and other events. FASMA doctors provide a full scope of surgical and non-surgical treatment options, emphasizing open communication and education. It is FASMA’s aim to relieve every one of our patients of pain, and allow a return to a high level of function as quickly as possible. FASMA works with our patients’ other doctors to ensure good health and continuity of care for each patient.
