Moore Insurance Agency Initiates Joint Charity Venture with Non-Profit Warriors Refuge in an Effort to Support Returning Veterans

Moore Insurance Agency of Woodlands Texas is launching a joint charity effort with Warriors Refuge, a local non-profit that provides counseling, support, and healing programs for returning veterans who suffer from physical, emotional, or psychological impairment.

The Woodlands, TX (PRWEB) July 24, 2015 -- Moore Insurance Agency, a locally owned full service insurance firm serving the area in and around Woodlands, Texas, is joining forces with Warriors Refuge, a non-profit organization that provides critical support and counseling for veterans returning home with disabilities or impairments.

Warriors Refuge began as a peer support program staffed by a handful of volunteers. Today, Warriors Refuge is a full-fledged non-profit organization that offers a host of powerful programs that provide counseling and emotional support. The mission of Warriors Refuge is to rekindle the brave spirit of veterans who are suffering from physical, emotional, or psychological impairment or distress in a judgement-free environment created and maintained by their peers.

“Our veterans have given everything they can to keep us safe, and now it’s time for us to give back,” says Jared Moore, owner and manager of Moore Insurance. “Warriors Refuge offers real healing to our service men and women who have returned home injured, and supporting them in their mission is a true honor.”

Jared and his team are reaching out to friends, families, neighbors, and business associates throughout the area in an effort to raise awareness of the work done by Warriors Refuge, and to gather donations that will be used to provide critical support for veterans that need healing. Efforts to expand awareness by creating an online portal via social media are already underway, and support is flowing in from families, individuals, and businesses all across the state.

In addition to supporting Warriors Refuge in their efforts to provide healing to our returning veterans, Moore Insurance has assisted a number of other local charities throughout the community over the last year, and plans to find at least one new charity to support every month or two for the foreseeable future.
