Fort Myers, Florida (PRWEB) November 20, 2015 -- Dr. Ralph R. Garramone, board certified plastic surgeon in Fort Myers, Florida, and his staff are pleased to announce that Dr. Robert Mandraccia, who is double-board certified by the American Board of Plastic Surgery and the American Board of General Surgery, has joined the practice and will be seeing patients in their Cleveland Avenue office.

Dr. Mandraccia joins Dr. Garramone in providing patients with “A Naturally Youthful You”, utilizing plastic surgery procedures such as breast augmentation, tummy tuck, liposuction as well as non-invasive procedures such as CoolSculpting® and Diamond Lift™. Dr. Mandraccia also specializes in hair transplantation for men and women.

Dr. Mandraccia is a highly-trained and skillful plastic surgeon. After completing a five-year general and vascular surgery residency at Temple University in Philadelphia, Dr. Mandraccia practiced general and vascular surgery for eight years before completing two years of additional training in plastic surgery at the University of Oklahoma Health Science Center.

Dr. Mandraccia is a member of the American Society for Aesthetic Plastic Surgery, the premier organization of plastic surgeons in the USA with only 4500 members worldwide.

“Dr. Mandraccia has been practicing plastic surgery for 30 years. He is committed to providing all his plastic surgery patients with the highest quality in service and safety, and makes their satisfaction his top priority. We are excited to be adding someone to our team who is both a general surgeon and a plastic surgeon,” explained Dr. Ralph Garramone. “Dr. Mandraccia joins us with stellar credentials, training and experience. He will really help round out our team of professionals allowing us to provide the highest quality patient care. Exceptional patient care is always our priority.”

Maintaining this standard begins with ensuring the patients have complete information regarding plastic surgery procedures and alternatives. There are many different aspects of plastic surgery, and both Dr. Garramone and Dr. Mandraccia learn about each of their patients’ needs, and then develop a customized plan, which may include surgical procedures, non-surgical procedures, and professional skin care. Their approach, coupled with Garramone’s state-of-the-art medical facility, which has met the stringent accreditation requirements of AAAASF, provides the highest level of safety and quality.

About Dr. Mandraccia
Dr. Robert Mandraccia is double-board certified by both the American Board of Plastic Surgery and the Board of General Surgery. He is also a member of the American Society of Aesthetic Plastic Surgeons. Dr. Mandraccia has completed residencies in both fields, passed rigorous examinations and keeps up to date on all the latest techniques. His surgical skill can be credited to not only his training and education, but also to his 30+ years of experience as an accomplished and respected plastic surgeon.
