Carnegie Council Presents the Summer Issue of "Ethics & International Affairs": War, UN Secretary-General Selection Process, De fact Refugees in Central America, & More

This issue of "Ethics & International Affairs" contains a special section on legitimate authority, war, and the ethics of rebellion; essays on reforming the UN secretary-general selection process and on de facto refugees in the Northern Triangle of Central America; a feature on motivating soldiers to fight in cosmopolitan wars; and a review essay on international security norms.

(PRWEB) June 12, 2017 -- Carnegie Council for Ethics in International Affairs is pleased to announce the publication of the Summer 2017 issue of its quarterly journal "Ethics & International Affairs."

This issue contains a special section on legitimate authority, war, and the ethics of rebellion, with contributions from Christopher J. Finlay, Jonathan Parry, and Pål Wrange; essays by Yvonne Terlingin on reforming the UN secretary-general selection process and by Celia Medrano on de facto refugees in the Northern Triangle of Central America; a feature by Lior Erez on motivating soldiers to fight in cosmopolitan wars; a review essay on international security norms by Denise Garcia; and book reviews by Don Scheid and Jochen Prantl.
