Interim HealthCare Named to SIA’s 2017 Largest U.S. Healthcare Staffing Firms and Per Diem Nurse Lists

Interim HealthCare has been named among the 2017 Largest Healthcare Staffing Firms and Largest Per Diem Nurse Staffing Firms lists by Staffing Industry Analysts (SIA).

SUNRISE, Fla. (PRWEB) November 01, 2017 -- Interim HealthCare has been named among the 2017 Largest Healthcare Staffing Firms and Largest Per Diem Nurse Staffing Firms lists by Staffing Industry Analysts (SIA).

According to SIA, the company ranked among 39 firms that produced more than $50 million of U.S. healthcare temporary staffing revenue in 2016 and estimates that 31 travel nurse firms, 13 per diem nurse firms, 16 locum tenens firms and 27 allied healthcare firms generated at least $25 million in revenue in their respective healthcare skill sub-segments.

“Our inclusion and rankings on the SIA lists this year reflects our unwavering commitment to delivering the highest quality clinicians and service so that our valued clients can deliver the best possible patient outcomes,” said Larry Kraska, Interim HealthCare Inc. CEO and President. “Having been in business for over 50 years, our longevity and success is a direct reflection of the compassion, integrity and customer focus our franchisees and healthcare professionals deliver across the country every day. This focus remains at the core of who we are and why Interim HealthCare truly embodies the best experience, care and drive this industry has to offer.”

About Interim HealthCare
Interim HealthCare Inc., founded in 1966, is a leading national franchisor of home care, hospice and healthcare staffing. It is part of Caring Brands International which also includes UK-based Bluebird Care and Australia-based Just Better Care, both well-known franchise brands in their countries. With more than 530 franchise locations in seven countries Caring Brands International is a global health care leader.

Interim HealthCare in the United States is unique in combining the commitment of local ownership with the support of a national organization that develops innovative programs and quality standards that improve the delivery of service. Franchisees employ nurses, therapists, aides, companions and other healthcare professionals who provide 25 million hours of home care service to 190,000 people each year, meeting a variety of home health, senior care, hospice, palliative care, pediatric care and healthcare staffing needs.
