Trident University Faculty Member Publishes Information Technology Research

A 10-year member of Trident’s faculty, Dr. Mary Lind’s latest published research article looks at IT alignment with business strategy.

CYPRESS, Calif. (PRWEB) March 23, 2018 -- Trident University International (Trident) today announced that faculty member Dr. Mary Lind has published research on IT alignment with business strategy. Her latest article, “The effects of the strategic typology model and strategic alignment on the delivery capability of an IT Organization” was published in the International Journal of Systems and Social Change.

As a 10-year member of Trident’s faculty, Dr. Lind teaches subject matter covering the areas of information technology, data analytics, and cybersecurity in the University’s Glenn R. Jones College of Business.

“Dr. Lind has been published in nearly 50 journals over the years – steadily contributing and keeping pace with the ever-changing technology landscape,” stated Trident’s Dr. Wendy Wang, Department Chair, Information Technology Management and Computer Science. “Our students truly appreciate and benefit from her wide and diverse IT knowledge and perspective.

Dr. Lind has been active in the following organizations over the last thirty years: Association of Information Technology Professionals, the Association of Computing Machinery, Decision Sciences Institute, the Academy of Management, the Institute of Management Sciences, and the Association of Information Systems.

She holds a Bachelor’s Degree in Mathematics from Duke University; an MBA from the School of Business, University of North Carolina at Greensboro; and a Ph.D. in Business Administration from Kenan Flagler School of Business, University of North Carolina at Chapel Hill.

About Trident University
Founded in 1998, Trident University International (Trident) is a leading online postsecondary university serving adult learners. Trident uses the EdActive™ learning approach, which employs case-based learning in an online setting to teach real-world relevant critical thinking skills to enhance the lives and careers of students. Trident offers high-quality bachelor’s, master’s, and doctoral degree programs and certificates, led by a qualified faculty team, over 80% of whom have doctoral degrees. Trident is regionally accredited by the WASC Senior College and University Commission (WSCUC) and has over 30,000 alumni, including more than 22,000 with a military affiliation. The University has received multiple acknowledgements from Military Times, Victory Media’s Military Friendly Schools, and Military Advanced Education & Transition for their dedication to military-affiliated students. Visit http://www.trident.edu, Trident’s Facebook page, or call at (855) 290-0290 to learn more about Trident's wide range of educational options.
