OnlineMasters.com Names Top MBA in Healthcare Management Programs for 2019

Career opportunities for graduates include administrative and supervisory positions in the healthcare industry

SEATTLE (PRWEB) January 25, 2019 -- OnlineMasters.com, a trusted source for unbiased college rankings and higher education planning, announced the release of their Best Online MBA in Healthcare Management Programs for 2019. The research identifies the top programs in the nation based on curriculum quality, program flexibility, affordability, and graduate outcomes.

In addition to insights gained from industry professionals, OnlineMasters.com leveraged an exclusive data set comprised of interviews and surveys from current students and alumni. Each online degree program was analyzed with only 50 making it to the final list. The methodology incorporates the most recent data from the Integrated Postsecondary Education Data System (IPEDS) and statistical data from the National Center for Education Statistics. Most importantly, only programs from accredited nonprofit institutions were eligible.

“Our research shows that professionals with an MBA in healthcare management earn a 57.9 percent higher average salary than those with only a bachelor’s degree,” says Barbara Montgomery, Program Recognition Manager.

Students who pursue an MBA in Healthcare Management can gain employment in administrative and supervisory roles in the healthcare industry. The steady rapid job growth in this market is just one of the many reasons. OnlineMasters.com researched, analyzed, and ranked the Top MBA in Healthcare Management programs.
