Interim HealthCare Inc. Leadership to Present Effective Dementia Training Strategies at ASA’s 2019 Aging in America Conference

Session will focus on the benefits of brain-based dementia training for caregivers

SUNRISE, Fla. (PRWEB) April 15, 2019 -- Interim HealthCare Inc., a leading national franchisor of home care, home health and healthcare staffing, will present at the 2019 Aging in America Conference in New Orleans, La. The session, “How Brain-Based Dementia Education Helps Home Caregivers Provide the Best Care,” will feature Interim HealthCare’s Senior Manager of Program Development and Implementation, Catherine Tedder, and National Director of Personal Care and Support Services, Vicki Demirozu.

WHEN: Wednesday, April 17, 2019 at 10:30 – 11:30 a.m. CT

WHERE: Hyatt Regency New Orleans, Strand 10B, Level 2

WHAT: “How Brain-Based Dementia Education Helps Home Caregivers Provide the Best Care” will focus on how critical it is for caregivers to have a more science-based understanding of the brain, how to care for patients through the different stages of dementia, and how to customize care plans.

WHO: Catherine Tedder, RN, is a Positive Approach® to Care (PAC™) certified trainer, a designation of the Teepa Snow organization’s dementia training. With over 25 years of experience in home healthcare, Catherine has served in patient care clinical roles, operational leadership roles and sales leadership positions.

Vicki Demirozu is the National Director of Personal Care and Support Services at Interim HealthCare Inc. Vicki is a 26-year veteran of the industry and uses her experience to provide hands-on support to sales, recruitment, onboarding and retention, service delivery, management and operations.
