Consero Reunites Orphaned Children With Their Families - 2019 Miracle Foundation Campaign

Having raised more than $100,000 over the past 5 years, Consero has created miracles for children living in poverty.

AUSTIN, Texas (PRWEB) May 27, 2019 -- With Mother’s Day not far in the rear-view mirror, the Miracle Foundation, an Austin-based charity that empowers orphans in the developing world to realize their full potential, is pleased to announce that 11 orphans in India will be reunited with their families as a result of a generous contribution from the employees of Consero Global. Austin-based Consero, a leader in Finance as a Service, raised 109 percent of its annual charitable campaign goal, providing a donation of $21,863.

“The Miracle Foundation impressed us with its transparency,” said Consero CEO Scott Tynes. “Miracle Foundation systematically monitors and measures a child’s well-being from safety, water and nutrition, to guidance, dignity and spiritual development.”

“In addition to assuring that orphaned children are thriving, the Miracle Foundation finds their families whenever possible,” added Consero President, Bill Klein. “They also work with the communities so that families living in poverty and single mothers have access to the resources that enable them to keep their children.”

“It is through the substantial generosity of corporate citizens like Consero that the Miracle Foundation is able to strive towards its goal of providing a safe, loving family for every child,” said Caroline Boudreaux, Founder of Miracle Foundation. “We are especially thankful that Consero has a long-term commitment, having raised more than $100,000 over the last five years to create a healthier, more stable environment for the world’s orphaned and vulnerable children.”
