MEADVILLE, Pa. (PRWEB) February 04, 2020 -- “Spread The Word: Thoughts and Ideas to Enhance Our Journey through the Holy Scriptures First and Second Corinthians”: a riveting account of thirty-one entries that will serve as the readers’ morning meditation supplement. “Spread The Word: Thoughts and Ideas to Enhance Our Journey through the Holy Scriptures First and Second Corinthians” is the creation of published author Bonnie Bond (Sanford), a writer who has a master’s degree in conflict resolution and is a licensed addictions counselor. She feels that the struggles produced from growing up black and poor in the south have made her spiritually strong. Bonnie became very active in the church as an adult and has great faith in God and His anointing on her life.

Bond writes, “Spread the Word is a simple commentary on the Apostle Paul’s letters to the Corinthians. The Word of God (the Holy Bible) is meant to be utilized by everyone. This work is one woman’s interpretation of how Paul’s words apply to her life in the twenty-first century. We have a different set of problems to overcome than the people of Paul’s era. The Word is for us, and we do not always need a priest, minister, rabbi, or other clergies to explain what God is saying to us. The author intends that the reader will read each chapter, think about how it applies to their life, write down some of those thoughts, and share their thoughts with others throughout the day. Living your best life is well within your reach when you begin to understand and absorb what God has so generously given to us. Go spread the Word!”

Published by Christian Faith Publishing, Bonnie Bond’s new book is an enthralling interpretation of a woman allowing everyone to understand and grasp God’s gift to His children.

With this purpose, Bond aims to help the readers understand the words of God and apply it in their daily lives. This piece also serves as an encouragement to the readers to spread the word of God by telling others how these words affect their being.
