Matt Castrucci Nissan Highlights the Performance & Practicality of the 2020 Nissan Armada

2020 Nissan Armada tows up to 8,500 pounds and accommodates many passengers

DAYTON, Ohio (PRWEB) February 02, 2020 -- Matt Castrucci Nissan is highlighting the practicality of the 2020 Nissan Armada for the benefit of drivers in the Dayton, OH area looking for a large SUV. The 2020 Nissan Armada provides drivers with on top of a powerful, capable engine. This SUV seats up to seven or eight passengers depending on its configuration.

The four trim levels available for the 2020 Nissan Armada include the base SV trim in addition to SL, Platinum and Platinum Reserve. These four trims all utilize a powerful, 5.6-liter, V8 engine that can produce up to 390 horsepower and 394 pound-feet of torque. This engine comes paired with a seven-speed automatic transmission in every configuration.

This powerful engine also provides the 2020 Nissan Armada with plenty of towing capability. This SUV has a maximum towing capacity of 8,500 pounds. The 2020 Armada also includes a specialized To/Haul driving mode and a fully independent rear suspension, providing drivers with optimal drivability, performance and control when towing.

In terms of internal storage space, the 2020 Nissan Armada offers 169.5 cubic feet of interior volume, 16.5 cubic feet of standard cargo capacity and 95.4 cubic feet of maximum cargo capacity. The 2020 Armada comes with several storage-based amenities, such as an available power lifgate, an underfloor storage compartment and an available power-folding third row seat.

Drivers can find more details on the 2020 Nissan Armada on the official Matt Castrucci Nissan website, mattcastruccinissan.com. The dealership’s automotive specialists are also available to answer any questions drivers may have about the 2020 Nissan Armada and can be reached by calling 855-299-1946. Drivers located in the Dayton, Ohio area can rely on Matt Castrucci Nissan for vehicle service, routine maintenance and ordering replacement parts.
