Health: Surprise Best Seller is Stem Cell Book – Author in Spokane - 10 City Tour

Author Christian Drapeau, America’s most engaging scientist and the leading voice of the stem cell revolution, is on a 10 city speaking/book tour including Spokane. He will be in Spokane February 28th through March 1st.

Spokane, WA (Vocus) February 20, 2010 -- Remarkable public interest in the stem cell phenomenon made a science book an overnight Amazon Best Seller and catapulted engaging author-scientist Christian Drapeau onto the world stage.

Drapeau launched a 10 city book tour for his Cracking the Stem Cell Code (Sutton Hart Press 2010) in New York this month with the message:

“Many diseases will be eliminated in our lifetimes and a new level of human wellness is possible in the very short term with recent breakthroughs in Adult Stem Cell science.”

A recent Time Magazine cover told us The Coming Revolution in Stem Cells Could Save Your Life and Interview Platform says stem cells are The Rx for Ultimate Health and dubs Christian Drapeau the field’s pioneering voice as well as one of America’s most intriguing scientists. The adult stem cell expert is just back from a 5-continent tour where he addressed standing-room-only audiences eager for the latest stem cell science news.

Cracking the Stem Cell Code February/March tour:

New York February 3 - 5
Virginia/Maryland February 5 - 6
Florida February 7 - 9
Los Angeles February 10 – 13
Spokane February 28 – March 1
Dallas March 8 - 10
St. Louis March 11 - 13
Minneapolis March 20 - 22
