BodyLogicMD Welcomes Dr. Robert Rubin to Naples Location

Bioidentical Hormone Therapy Practice treats menopause and andropause.

Naples, Florida (PRWEB) November 6, 2007 -- BodyLogicMD announces one of America's top doctors, Dr. Robert Rubin, joins the Naples, Florida location. Two time winner of South Florida's Top Doctor Award, BodyLogicMD's Dr. Rubin is an anti-aging physician specializing in helping men and women suffering from the signs of aging such as menopause, andropause (the male menopause) and hormonal imbalances.

"For the past 20 years I have worked with patients in geriatric stages that have missed the opportunity for preventative health," said Dr. Rubin. "With BodyLogicMD, I am able to help my patients earlier in their lives to take a proactive approach to health, so they have the ability to age gracefully and improve mobility, memory, visions and vitality."

BodyLogicMD is a national network of anti-aging physicians specializing in bioidentical hormone therapy integrated with fitness and nutrition programs. BodyLogicMD doctors use preventive medicine and therapy to ease the transition of hormonal imbalance and help detour the chances of age related disease.

"We're thrilled to add Dr. Rubin with his prestigious credentials to the BodyLogicMD network or physicians," said Patrick Savage, President of BodyLogicMD.

Women experiencing menopausal symptoms and men dealing with the signs of andropause can turn to Dr. Rubin to effectively and safely treat these symptoms caused by hormonal imbalances and the natural aging process.

About Robert Rubin, M.D.

Twice recognized by Castle Connolly Medical as one of the Top Doctors in South Florida, after practicing in Palm Beach for 20 years, Dr. Rubin now heads BodyLogicMD Naples, Florida location. He is an active member of the American Academy for Anti-Aging Medicine with a Fellowship in Anti-Aging and Regenerative Medicine. Dr. Rubin offers patients bioidentical hormone therapy services, devoting his practice to preventive medicine and wellness. He earned his medical degree from West Virginia University School of Medicine in 1980 and completed his internship and residency in Internal Medicine at Mount Sinai Medical Center in Miami Beach, Florida in 1983. Dr. Rubin was board certified by the American Board of Internal Medicine in 1983 and also received board certification in Geriatrics in 1988 and 1999.
