"Father's Day is the perfect occasion to acknowledge a fathers irreplaceable role in the family and in the life of his children." "Instead of a card that gets tossed away, give him a gift that symbolizes the love of his family everyday!" emphasizes Schnaak. The most popular sentimental gifts for men from the designer's line of heart jewelry are the Pocket Heart™ and the Loving Heart™ Pin. Both heart gifts offer the golfer a symbol of his family's love as he goes out to play.

The Loving Heart™ Pin (http://www.lovingheartcollection.com/products/sterling-silver-loving-heart-pin) is the only sentimental gift of heart jewelry specifically created for a man to wear discreetly inside of a favorite jacket over his heart. In that discreet location, it serves as a private reminder of the love of another and the special bond they share. For the dad who loves golf, Loving Heart, LLC encourages sending Dad out to play this Father's Day with the Loving Heart™ Pin secured to his golf bag or the cover of his favorite golf club as a symbol of his family's love for him. Another Fathers Day gift for men, the solid sterling silver or solid 10k gold Pocket Heart™ (http://www.lovingheartcollection.com/products/loving-heart-sterling-silver-pocket-heart-

As a gift for the golfer Dad, the Pocket Heart™ can serve as a ball marker on the green. Each of these sentimental gifts of heart jewelry will let Dad know he has been sent out to play this Fathers Day with his family's blessings! Price points for these items begin at $45 upwards to $475.

In addition to sentimental gifts of heart jewelry, Loving Heart shares Fathers Day Gift ideas for creating a memorable event for Dad and the entire family this Fathers Day. Suggestions include gathering the kids around Dad to present him with a tiny tree in his honor. "A little lemonade and a garden spade will create a sweet memory with Dad on Fathers Day" states Mrs. Schnaak. Fathers Day Gifts for planting include the Oak Seedling Memory Tree (http://www.lovingheartcollection.com/products/oak-tree-seedling-memory-tree-
